Time	Session
11:00am to 11:45am EDT	2026 - Tribal Technology & Infrastructure Readiness Do you know what technology and infrastructure is most important to tribes in 2026? This session time will give each attendee dedicated time to review and complete the nationwide Tribal Technology & Infrastructure Readiness Survey which aims to benchmark the current state of technology across Indian Country. The results of this data can help your tribe (and every tribe) better advocate for greater resource allocation and infrastructure support. Results will only be shared in a de-identified, aggregate format with survey participants and Regional Event attendees. Preliminary nationwide and regional results will be shared in tomorrow's 10:30 session - so plan to be here to become among the first to see these results - just by being at this regional forum.
11:15am to 11:45am EDT	Vendor Meeting Event sponsors only - Join the TribalHub team to learn how to make the most of your time here.
11:45am to 12:45pm EDT	Lunch and Learn Join together for lunch on behalf of your sponsors! PLUS hear briefly how our sponsors are currently supporting tribes.
12:45pm to 1:15pm EDT	Meet the Sponsors Stop and say "Hi" to each of the event sponsors at their table (and drop your drawing tickets) for more chances to win some cash!!
1:15pm to 2:15pm EDT	2026 - Tribal-ISAC Shares and Listens to Your Region Cybersecurity continues to be a hot topic, big expense and ongoing challenge for every tribe. This session is your opportunity to listen as the Tribal-ISAC representatives shares some of their cybersecurity findings from tribes across the nation, and discuss some of the key challenges we all face. It is also your opportunity to provide input and guidance that can influence the direction and efforts of the Tribal-ISAC in the year ahead.
2:15pm to 3:30pm EDT	Lifting IT in Your Tribe or Enterprise This engaging session will have you and your peers in the room navigating difficult but common technology related scenarios that IT leadership at tribes and enterprises often face. Budget got cut...how do you professionally respond and react? Another shadow IT purchase is made on a software system you knew nothing about but are now expected to install and support...what is the proper or best action to take? AI moving too fast? Join us to share your own experiences and hear and learn from others on effective strategies to multiple different difficult challenges. Leave this session with fresh ideas and stronger connection to the peers in your region.
3:30pm to 4:30pm EDT	Get to Know the Host Site - Tech and Property An overview session highlighting the host site's technology and property operations, systems, and insights.
