Dear _____,

I am requesting approval for us to become a member of TribalHub. A TribalHub membership will immediately increase our access to more connections, information, resources, and opportunities that will support our team and our continued success.

By becoming a TribalHub member, we are joining a nationwide community of tribal technology leaders who are committed to learning, collaborating, and strengthening tribal communities through shared knowledge and meaningful connections.

TribalHub members receive the following direct benefits:

- A members-only library with access to technology policies & procedures, RFP documents, benchmarking comparisons, and more.
- Monthly Industry Insight Reports sent directly to members with data, summaries, and tips relevant to tribes and tribal enterprises.
- A 12-month free online learning package with access to over 230 courses on relevant business and technology topics.
