MIKE DAY

Executive Director,
TribalHub

“Cybersecurity is part of EVERYONE’s job, and tribal leaders need to be informed and actively participating to protect their tribe or tribal enterprise to be effective. For the last 25+ years, TribalHub has been committed to bringing tribes the information that matters most for the present and future times. Right now we are in the middle of a wave of increased cybersecurity attacks that are knocking on, knocking down and even temporarily closing the doors of tribal governments and their enterprises nationwide. It’s our responsibility and place in the tribal community to inform and arm tribes with the best practices, tools, education, resources and connections to enhance their cybersecurity posture. In a single day of event sessions, you can gain a broad executive level understanding of how to professionally lead and participate in your tribe’s security strategy and to navigate your tribe or tribal enterprise through the current turbulent cybersecurity waters.”

TUESDAY

Tribal-ISAC, the title sponsor of the Cybersecurity Summit, is hosting a charity golf outing on Tuesday to raise money for this 501c3 nonprofit organization, whose efforts and mission are to improve the overall cybersecurity posture of all tribes. Attendees of the Summit along with Sponsors of the golf-outing can register to play or sponsor a fun golf scramble. This is a great way to go into the event already knowing some attendees! Plan to sponsor and join us!

WEDNESDAY

Join the group for breakfast, sessions, lunch, and then your time to shine --> the Vendor-Expo! In the expo room, TribalHub will create a fun and engaging atmosphere for attendees to grab a drink, walk the room, and chat with all of the sponsors. There will be live entertainment, prizes, giveaways, and more! The booth is 8'x10' and will NOT be draped or marked off. It will include a 6ft table and 2 chairs, this event is aimed towards conversations and networking, NOT a standard pop up booth and materials. Limit the gadgets and papers and flex your brain instead! Shipping will be available but VERY limited capabilities for storage/size acceptance and handling. *There will NOT be an expo company handling shipping, pallets or crates will not be accepted. Anyone wishing to ship small items will be required to ship arriving no more than 48 hours ahead of check in and will be shipped to a guest for pickup at hotel check in.*

After the Vendor-Expo, join the Opening Day Meet & Greet event, available to everyone, onsite and sponsored by the Opening Reception Sponsor.

THURSDAY

Join the group for breakfast, more Vendor-Expo time, and a working group planning session with the Summit's title sponsor, Tribal-ISAC. Attend sessions or spend some more time in the Vendor-Expo. Lunch with attendees and then a wrap-up of the Vendor-Expo with fun prizes and giveaways! This would be a great night with time to take clients and new connections to dinner!

FRIDAY

Wrap up the event with breakfast and last sessions - the event closes at Noon.
